***Wage Supplement**

Effective March 1, 2024, the Employer will implement a temporary, pensionable, hourly wage supplement based on a six (6) step progression. Upon implementation, employees will receive, in addition to their base salary, the hourly wage supplement as specified in **Table A, based on their respective step on the CG Pay Scale. Subsequently, the hourly wage supplement will be applied in accordance with Schedule A of the collective agreement. Employees presently on Step 3 of the CG Pay Scale will begin to receive the hourly wage supplement for Step 4 on their next regular step progression date and thereafter, until they reach the maximum hourly wage supplement rate. For the purposes of the hourly wage supplement for Steps 4, 5 and 6, the base hourly rate for CG Step 3 will be applied to the respective classifications. The Health Professionals hourly wage supplement will apply to any new classifications added during the term of the collective agreement and will be based on the applicable hourly wage supplement for other classifications on the same CG Pay Scale.

The Health Professionals hourly wage supplement will remain in effect until a new Health Professionals Pay Scale is implemented, as outlined in the MOU regarding the development of a Health Professionals Pay Scale.

This wage supplement is not subject to General Economic Increases.

SUMMARY OF GROUP INSURANCE BENEFITS FOR MEMBERS OF THE GOVERNMENT OF NEWFOUNDLAND AND LABRADOR PLAN

The online "Employee/Retiree Benefits" booklet contains a more detailed description of the benefits and the member's responsibilities under the Plan. The following summary has been prepared to outline the basic content of the Plan only, as contractual provisions specified within the group insurance policies prevail. You may also refer to the Government website at http://www.exec.gov.nl.ca/exec/hrs/working_with_us/employee_benefits.html for further information.

BENEFITS

BASIC GROUP LIFE INSURANCE

You are insured for a life insurance benefit equal to two times your current annual salary rounded to the next higher \$1,000, if not already a multiple thereof, subject to a minimum of \$10,000 and a maximum of \$1,000,000.

If your insurance ceases on or prior to age 65, you may be entitled to convert the cancelled amount of basic group life insurance to an individual policy of the type then being offered by the insurer to conversion applicants **within 31 days** of the termination and no medical evidence of insurability would be required. The premium rate would be based on your age and class of risk at that time.

DEPENDENT LIFE INSURANCE

In the event of the death of your spouse or dependent child from any cause whatsoever, while you and your dependents are insured under the plan, the insurance company will pay you \$10,000 in respect of your spouse and \$5,000 in respect of each insured dependent child. This applies to those employees with family health coverage only.

BASIC ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE

The plan provides accidental death and dismemberment insurance coverage in an amount equal to your basic group life insurance (two times your current annual salary). The drug plan provides coverage for most drugs which require a prescription by law, however, but does not provide coverage for over-the-counter drugs, cough or cold preparations or nicotine products. The Government of Newfoundland and Labrador, through a consultation process with the insurer and drug experts, determines the drugs that are covered under the plan, and typically follows the recommendations of The Canadian Expert Drug Advisory Committee. There is no guarantee or obligation expressed or implied that all drugs recommended by physicians will be covered by the plan. Some drugs may require special authorization, details of the special authorization process are outlined in the online "Employee/Retiree Benefits" booklet.

Vision Care Benefit

You and your insured dependents are covered for the following vision care expenses:

When submitting your claims for reimbursement, please ensure your receipt clearly indicates whether your glasses are single vision, bifocal, trifocal or progressive adaptive lenses so that accurate reimbursement can be made. Also, your receipt indicating that the expense has been paid in full must accompany the Claim Submission Form. Records indicate that costs vary amongst dispensaries throughout the province; therefore, it is suggested that you check with several optical dispensaries before finalizing your purchase.

EMPLOYEE AND RETIREE RESPONSIBILITY

- For ensuring that you have applied for the coverage you wish to have for yourself on your enrolment forms and your dependents within the appropriate time frames.

- For examining payroll deductions for each pay period for all group insurance benefits. Examples would include family versus single coverage and optional benefit premiums particularly when you have requested changes in coverage and at the annual renewal date when the premiums are adjusted. This will ensure accuracy and allow for corrections on a timely basis. Coverage details can be confirmed through pay stubs, your plan administrator, Employers online benefit statements (where available), and the insurance carrier (their website and their toll free number)
- For amending your coverage to delete any coverage you no longer require. Contributions which you have paid are not refundable if they were consistent with the application on file.

- For effecting conversion of the coverage eligible to be converted upon the earlier of termination of employment or at age 65.
- For accurately completing the necessary forms required for continuing benefits while on maternity leave, sick leave, special leave without pay, retirement, etc. It is extremely important these arrangements be made prior to commencing eligible leave. For continuation of group life and health insurance while on temporary layoff or on unpaid leave you are responsible for the payment of the full premium amount (Employer/employee contributions) and failure to remit will result in termination of coverage. You are also responsible for the payment of the full premium amount (Employer/employee contributions) if you are a casual/hourly employee and you maintain benefits during a pay period when you have not worked and have not received pay. Failure to remit premiums will result in the termination of coverage.
- For providing appropriate claim information necessary to process LTD and/or Waiver of Premium claims as well as to ensure notice of claim/proof of claim where necessary has been provided within appropriate time frames as required under the contract.
- For providing appropriate medical information necessary to add a dependant as functionally impaired to continue their coverage beyond the age a dependant would otherwise terminate based on contract guidelines
- For completing the appropriate forms accurately, completely, and within applicable timeframes for such things as change of address, addition or deletion of a dependent, and other significant matters that can change or otherwise affect your coverage.
- To register overage student dependents between age 21 and 25 at the beginning of each school year. Failure to do so may impact coverage.
- Reviewing the online employee benefit booklet, contacting the insurance carrier and/or your organization's plan administrator to ensure you have a sound knowledge of the benefits available, extent of coverage, eligibility criteria, exclusions, restrictions, medical underwriting requirements, conversion options, continuation of benefits, predeterminations and other important requirements of the program.
- Providing proof of the purchase of pension service that may reduce LTD premiums. Premiums will only be adjusted when the plan administrator has been notified and received verification despite the date the purchase may have occurred.
- For notifying your plan administrator if the deletion of an overage dependant requires a change in your premiums from family to single coverage.

MEMORANDUM OF UNDERSTANDING

Re: Nurses Committee

The parties acknowledge that the Registered Nurses' Union Newfoundland and Labrador (RNUNL) have indicated that they have issues of concern unique to Nurses who live and work in Labrador and that the RNUNL will attempt to address these concerns through a committee which will be established subsequent to these negotiations.

MEMORANDUM OF UNDERSTANDING

Re: Labrador Benefits Agreement - Interpretation

In an effort to clarify the interpretation of certain items contained in the Labrador Benefits Agreement the parties agree to the following:

- 1) Article 4.2(b) refers to employees who terminate employment, (i.e. are not on layoff status and do not have recall rights). These employees have their Travel Allowance paid out based on the hours worked in the current year and it shall be paid out at the rate in effect on the date employment is terminated.
- 2) For the purposes of Article 4.4 it is agreed that an employee may refuse to claim the employee benefit if it is to their benefit to have their spouse claim them as a dependant. Employees who exercise this option will not be entitled to any portion of the Employee Travel Allowance. It is incumbent on the employee to communicate this choice to their respective Employer(s).
- 3) Notwithstanding Schedule A, the following employee shall be entitled, on a without prejudice basis, to the rates applicable to Mud Lake as long as they remain within the employ of their current Employer and continue to permanently reside in Mud Lake:
Vyann Kerby, Health Labrador Corporation

This agreement is effective from April 1, 2013 and shall expire upon the renewal of the Labrador Benefits Agreement expiring March 31, 2016.

- 4) For the purposes of clarification and in accordance with Article 3.1 (Labrador Allowance), Article 4.1 (Travel Allowance) and Article 9.1 (Definitions), benefits are applicable for the fiscal year (April 1 to March 31) in which a dependent reaches 18 years of age or 24 years of age, if the dependent is in full time attendance at a school or post-secondary institution. Full time attendance shall be determined by the educational institution in which a dependent is registered.

For example:

If a dependent reaches 18 years of age on January 1, 2011 and is no longer enrolled as a full time student in a post secondary institution, they would be eligible for the travel benefit payable April 15, 2011.

DEFERRED SALARY LEAVE PLAN

It is the Employer's policy that, where possible, all employees have access to a deferred salary leave plan, designed to help plan and finance a leave of absence for periods of 6 - 12 months. The deferral period may not exceed six years.

1. Definitions

Review

Committee: a committee, comprised of members representing the Employer and employee groups, which will review issues related to the Plan

Deferral

period: that period of time during which participating employees defer a portion of their salary

Leave Period: that period of time, immediately following the deferral period, during which participating employees are on a leave of absence from work

Taxation year: based on a calendar year January 1 to December 31 (inclusive)

2. Introduction

The Deferred Salary Leave Plan permits employees to finance a leave of absence by deferring a maximum of 33 1/3% of their salary (before deductions) in a taxation year. The period over which employees may defer their salaries may not exceed six years.

The deferred portions of employees' salaries are deposited into an account with the Government of Newfoundland and Labrador. This account accrues interest which must be paid at the end of each calendar year. Because this interest is considered to be income from employment, it is subject to income tax for the year in which it was earned. The interest rate, on the deferred portion of employees' salaries will be the rate of interest earned by Government on its bank accounts.

The minimum leave period is six (6) months, except where the employee is attending a designated educational institution on a full time basis; in this case the minimum period of leave is three months.

The maximum period of leave is twelve (12) consecutive months, starting immediately after the salary deferral period.

Revenue Canada regulates all deferred salary leave programs and has the ability to cancel any Employer plan if the regulations are violated. For taxation purposes Revenue Canada requires that at the end of the leave period, employees return to the Employer under whom they participated in the deferred salary leave program for, at least the same amount of time as the leave period. As such, the Deferred Salary Leave Plan cannot serve as an early retirement program.

3. Administration

The Deferred Salary Leave Plan will be administered by the Government Accounting Division of Treasury Board and the Personnel Department of the Employer. The Administrator will be responsible for approving deferred salary leave for employees who wish to use the plan. Approval forms will be sent to the Payroll Department where employees will be set up on the deferred salary payroll. The system will calculate the deferred portion of employees regular pay cheques. This deferred portion will then be transferred into an interest bearing account.

Employees who wish to opt out of the plan must inform their Administrator in writing. The Administrator will then forward this information to the Review Committee who will review the case and decide if it can be approved. The committee will consist of representation from:

- Government Accounting Division, Treasury Board
- Personnel Policy Division, Treasury Board
- Collective Bargaining Division, Treasury Board
- Debt. Management Division, Finance
- The Employer
- NLHBA
- Union Involved

The Committee will meet on a regular basis to approve requests to withdraw from the plan and/or address any other issues that are not directly dealt with in this policy.

4. Eligibility

Permanent employees with a minimum of twelve (12) months continuous service may apply for enrolment in the Deferred Salary Leave Plan.

5. Enrolment

Employees must make written application to their Administrator, providing as much advance notice as possible (preferably at least three (3) months).

Employees will be informed of their approval to participate in the Plan within three months of their request. Approval of requests is dependent on the operational requirements of the department during the employee's anticipated absence.

Table I demonstrates the various Plan options: the amount of salary an employee would have to defer; the period of time over which the salary is deferred; the year in which the leave of absence is to be taken; and the employee's average wage over the entire period of Plan participation.

TABLE I

PLAN OPTION	PERCENTAGE OF SALARY DEFERRED	DEFERRAL PERIOD	LEAVE PERIOD	% OF NORMAL SALARY DURING PLAN
1 over 1.5	33 1/3%	1 year	2nd year (6 months.)	66 2/3%
2 over 3	33 1/3%	2 years	3rd year	66 2/3%
3 over 4	25%	3 years	4th year	75%
4 over 5	20%	4 years	5th year	80%
5 over 6	16 2/3%	5 years	6th year	83 1/3%
6 over 7	14%	6 years	7th year	86%

Over the period of Plan participation, employees' salaries plus the percentage of salaries deferred must equal 100% of employees' pre-plan salaries. For example, employees who choose the 3 over 4 option must defer 25% of their salaries over a 3 year period resulting in a net salary, over 4 years, of 75% of their pre-plan salaries.

6. Salary And Benefits During Deferral and Leave Periods

During the deferral period, employees continue to receive their normal salary less the amount they have chosen to contribute to the Plan.

During the leave period, employees' gross annual salaries will consist of the sum of the contributions made to the Deferred Salary Leave Plan during the deferral period, plus interest. Salary will be received through the normal payroll procedures.

Income tax information slips (T4) for the completion of participating employees' tax return will reflect that portion of salary actually received in the taxation year.

The interest earned on the deferred portion of employees salaries will be considered to be employment income. This interest amount is taxable as employment income and will be included on T4 slips. Income tax information slips will be issued yearly as the interest is paid.

Employment status will be that of leave without pay. The provisions and cost-sharing arrangements for employee benefits will be consistent with the appropriate sections of the Employer policies and Collective Agreements. Appendix I outlines the effect the Deferred Salary Leave Plan will have on all benefit/deduction programs during both the deferral and leave periods.

While on leave, no payments will be made for:

- overtime;
- call back;
- stand-by;
- automobile allowance;
- Labrador allowance;
- sick leave;
- family responsibility leave;
- annual leave;
- paid leave;
- statutory holidays; or,
- any other monetary compensation provided to employees who are at work.

No annual leave, sick leave or paid leave credits will be issued by the Employer while employees are on the leave period portion of the Deferred Salary Leave Plan. This time will not be counted toward the requirements for service to achieve additional annual leave or paid leave credits. The leave period, however, will not be considered a break on service.

Employees may purchase their leave period for pension credits upon their return to work.

7. Withdrawal From The Plan

Once approved for participation in the Deferred Salary Leave Plan, employees may withdraw from the Plan, prior to the leave period, only under exceptional circumstances such as:

- extreme financial hardship;
- death;
- total and permanent disability;
- transfer to another position where Plan participation is not approved; and/or
- layoff, termination or resignation.

Employees who withdraw from the Plan will receive a refund of their contributions plus the accrued interest on the contributions. Refunds will be made within 50 days of the approval to withdraw from the Plan.

The lump sum payment refunded to the employee is subject to Canada Pension Plan contribution. Unless specifically requested by the employee, the Employer will apply the lump sum income tax rate to the refund amount.

8. Returning From Leave

Employees returning from their leave periods will be:

- assigned to the same or equivalent position held prior to going on leave; and
- eligible for the same step in the salary scale that they were paid prior to going on leave.

SCHEDULE "K"

Alternate Scheduling Flextime

1. **Flextime Agreement**
The parties agree to the establishment of this flextime agreement for classifications covered by the AAHP collective agreement – Schedule A.
2. **Mutual Agreement**
 - (a) The implementation of a flextime arrangement will be by mutual agreement between the employee and their manager.
 - (b) Both parties are required to sign a copy of this agreement and submit a copy to Human Resources Department upon agreeing to enter/terminate such an agreement.
 - (c) This arrangement is provided to employees according to the position they currently occupy. Should their position change then the flextime agreement option must be renegotiated. It is understood this type of change may result in the arrangement being terminated.
3. **Definition of Flextime and Overtime**
 - (a) Flextime is when an employee makes a decision to work beyond regular working hours and/or adjusts their own schedule within a thirty-seven point five (37.5) hour week or seventy-five (75) hours bi-weekly, without a requirement to seek prior approval. Such time worked or adjustment of the schedule will be at straight time.
 - (b) Overtime, as per the collective agreement, is when a manager directs or approves an employee to work beyond regular working hours and such time worked is not controlled by the employee. This will include cases of emergency as stated in the collective agreement.
 - (c) For the purpose of this agreement, an emergency will be defined as a situation whereby the employee determines the client to be in crisis and if not seen immediately by a health care professional, could result in a deterioration of the client's condition and/or could place the client and possibly others at risk.
4. **Recording of Schedule**
Employees shall be required to keep records of their schedule (parties to determine frequency of when time is recorded) and excess hours worked. Such schedules will be accessible, in a central location, to a manager or designated individual and will not be entered on the computerized payroll system.
5. **Maximum Accumulated Hours**
 - (a) Under the Flextime Agreement, the maximum hours of accumulation shall be established between the manager and the employee and in no case shall exceed seventy-five (75) hours.

- (b) Employees cannot work through their meals and rest periods and use this time as part of their flex-time work schedule.
- (c) Any existing accumulated hours at the time of signing this agreement will be retained by the employee. Employees with excess accumulated hours (exceeding the maximum cap) at the date of signing are not able to accrue more time, however, they can continue to work flextime with the understanding that any extra time worked must be taken off in the pay period in which the time is worked.
- (d) Once employees reach the maximum cap of accumulated hours they shall not accumulate any additional time. Any extra time worked must be taken off in the pay period in which it is worked.

6. Time Off

An employee may schedule to take up to one-half (1/2) day off from accumulated time, without prior approval from their manager. Prior notification of the intention to take time off must be provided to the manager and a co-worker. When an employee requests to take more than one-half (1/2) day off from accumulated time, prior approval must be given by the appropriate manager. Approval to use more than one-half (1/2) day at any one time will not be unreasonably denied. At no time shall flextime taken adversely affect previously scheduled services.

7. Termination of Agreement

Either party may provide thirty (30) days notice to end the agreement.

Dear Ms. Toope:

****Re: Statutory Holiday Replacement***

Each year, an employee shall be entitled to designate replacement statutory holiday(s) that are days of cultural or religious significance to the employee in place of any or all of the statutory holidays outlined in the collective agreement. The Employer will endeavor to accommodate such requests and such requests shall not be unreasonably denied.

For the purposes of this letter, cultural or religious significance shall be defined as: A day in which a religious observation is held or a day that celebrates the culture of a particular nation, people, or other social group.

The employee shall inform the Employer of their choice(s), in writing, prior to November 15 in the calendar year before the new designations take effect. Such notice shall state clearly which statutory holiday(s) the employee is replacing and which day(s) of cultural or religious significance, including the dates on which they occur, that they are designating in the stead of the replaced statutory holiday(s).

Where the specific date(s) of cultural or religious significance are not yet confirmed on or before November 15 in the calendar year before the new designations take effect, the employee will notify the Employer of the day(s) of significance and will provide date(s) as soon as they become available. The Employer will endeavor to accommodate such requests received after November 15 in the calendar year before the new designations take effect, subject to operational requirements and availability of replacement staff. Requests will not be unreasonably denied.

Such statutory holiday replacement, once designated, will not be amendable for the applicable calendar year. The Employer will grant the newly designated holiday(s) as paid day(s) off. Once designated per the above process, the newly named holiday(s) shall be the day(s) to which all rights which are normally associated with the specific statutory holiday being replaced are now applied:

- a) The newly designated holiday days will attract all benefits of the collective agreement as if that day were the actual statutory holiday that they are designated to replace.
- b) The replaced statutory holiday(s) will become a regular day, whether it be a workday or a day of rest and will not attract any additional benefit previously attributable to it as a

statutory holiday: all such benefits will have transferred to the designated replacement day(s).

- c) Where the Employer does not provide service on a day described under b) above, and where the employee is scheduled to work on that day of the week, the Employer will make reasonable efforts to provide meaningful work to the employee on that day.
- d) Where the Employer has determined it is unable to provide meaningful work on that day, the Employer, the Employee, and a representative of the Association will meet as soon as possible to discuss alternate work arrangements. If no resolution is still possible, the employee may access banked overtime and other like paid banks, or in a last resort, vacation leave to cover the missed day of work.

Sincerely,

Andréa Kelly

MEMORANDUM OF UNDERSTANDING

***RE: Health Professionals Pay Scale**

The parties agree to establish a Joint Committee to develop a Health Professionals Pay Scale and an implementation plan for transitioning employees from the current Common Grid (CG) Pay Scale to the new Pay Scale.

Other public sector unions, specifically NAPE and CUPE, also represent members in the same or similar classifications as those under AAHP's collective agreement. In consideration of this, and in adherence to the principles of fairness and equality, the parties agree to invite these Unions to participate on the Joint Committee.

The Joint Committee will be comprised of an equal number of representatives from Government, the Employer and the Association. NAPE and CUPE may also designate an equal number of representatives, should they opt to participate in the process.

The parties recognize there are many complexities to consider in the development of a fair and competitive pay scale for health professionals, and implementation of the same. Some of these include, but are not limited to, the current JES classification framework and processes and associated pay scales, the diversity of the health professions, and current and emerging competitiveness challenges with respect to other jurisdictions.

The Joint Committee will be established within sixty (60) days of signing of this collective agreement and will finalize its Terms of Reference within a further thirty (30) days of establishment of the committee. In consideration of the scope and complexity of developing a new pay scale for Health Professionals, the parties will endeavour to develop the new Pay Scale, within one (1) year from the establishment of the Joint Committee.

The Joint Committee may invite or seek the support, advice and expertise of external consultants or other resources to support its work.

The Employer agrees to disclose to an authorized bargaining agent representative such minimum amount of personal information about an employee that is necessary to effect discussions or negotiations on behalf of that employee by his or her bargaining agent representative and the Employer.

The union agrees to indemnify and save the Government harmless against any claim or liability arising out of the application of this article.
