GOVERNMENT OF NEWFOUNDLAND AND LABRADOR PLAN**

The online “Employee/Retiree Benefits” booklet contains a more detailed description of the benefits and the member’s responsibilities under the Plan. The following summary has been prepared to outline the basic content of the Plan only, as contractual provisions specified within the group insurance policies prevail. You may also refer to the Government website at [http://www.exec.gov.nl.ca/exec/hrs/working\\_with\\_us/employee\\_benefits.html](http://www.exec.gov.nl.ca/exec/hrs/working_with_us/employee_benefits.html) for further information.

**BENEFITS**

You are insured for a life insurance benefit equal to two times your current annual salary rounded to the next higher \$1,000, if not already a multiple thereof, subject to a minimum of \$10,000 and a maximum of \$1,000,000.

If your insurance ceases on or prior to age 65, you may be entitled to convert the cancelled amount of basic group life insurance to an individual policy of the type then being offered by the insurer to conversion applicants **within 31 days** of the termination and no medical evidence of insurability would be required. The premium rate would be based on your age and class of risk at that time.

**DEPENDENT LIFE INSURANCE**

In the event of the death of your spouse or dependent child from any cause whatsoever, while you and your dependents are insured under the plan, the insurance company will pay you \$10,000 in respect of your spouse and \$5,000 in respect of each insured dependent child. This applies to those employees with family health coverage only.

**BASIC ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE**

The plan provides accidental death and dismemberment insurance coverage in an amount equal to your basic group life insurance (two times your current annual salary). Coverage is provided 24 hours per day, anywhere in the world, for any accident resulting in death, dismemberment, paralysis, loss of use, or loss of speech or hearing.

If you sustain an injury caused by an accident occurring while the policy is in force which results in one of the following losses, within 365 days of the accident, the benefit shown will be paid to you. In the case of accidental death, the benefit will be paid to the beneficiary you have named to receive your group life insurance benefits. Benefits are payable in accordance with the following schedule:

The drug plan provides coverage for most drugs which require a prescription by law, however, but does not provide coverage for over-the-counter drugs, cough or cold preparations or nicotine products. The Government of Newfoundland and Labrador, through a consultation process with the insurer and drug experts, determines the drugs that are covered under the plan, and typically follows the recommendations of The Canadian Expert Drug Advisory Committee. There is no guarantee or obligation expressed or implied that all drugs recommended by physicians will be covered by the plan. ### **EMPLOYEE AND RETIREE RESPONSIBILITY**

- To change your coverage from single to family within the appropriate time frame. If the coverage is not changed within 31 days of acquiring your first eligible dependent an Evidence of Insurability on Dependents is required for approval.
- To add a spouse to this plan in the event that he or she loses coverage under another plan within a 31 day period following the loss of coverage to avoid having to provide medical evidence.

- For examining payroll deductions for each pay period for all group insurance benefits. Examples would include family versus single coverage and optional benefit premiums particularly when you have requested changes in coverage and at the annual renewal date when the premiums are adjusted. This will ensure accuracy and allow for corrections on a timely basis. Coverage details can be confirmed through pay stubs, your plan administrator, employers online benefit statements (where available), and the insurance carrier (their website and their toll free number)
- For amending your coverage to delete any coverage you no longer require. Contributions which you have paid are not refundable if they were consistent with the application on file.
- For effecting conversion of the coverage eligible to be converted upon the earlier of termination of employment or at age 65.
- For accurately completing the necessary forms required for continuing benefits while on maternity leave, sick leave, special leave without pay, retirement, etc. It is extremely important these arrangements be made prior to commencing eligible leave. For continuation of group life and health insurance while on temporary lay-off or on unpaid leave you are responsible for the payment of the full premium amount (employer/employee contributions) and failure to remit will result in termination of coverage. You are also responsible for the payment of the full premium amount (employer/employee contributions) if you are a casual/hourly employee and you maintain benefits during a pay period when you have not worked and have not received pay. Failure to remit premiums will result in the termination of coverage.
- For providing appropriate claim information necessary to process LTD and/or Waiver of Premium claims as well as to ensure notice of claim/proof of claim where necessary has been provided within appropriate time frames as required under the contract.
- For providing appropriate medical information necessary to add a dependant as functionally impaired to continue their coverage beyond the age a dependant would otherwise terminate based on contract guidelines
- For completing the appropriate forms accurately, completely, and within applicable timeframes for such things as change of address, addition or deletion of a dependent, and other significant matters that can change or otherwise affect your coverage.
- To register overage student dependents between age 21 and 25 at the beginning of each school year. Failure to do so may impact coverage.
- Reviewing the online employee benefit booklet, contacting the insurance carrier and/or your organization's plan administrator to ensure you have a sound knowledge of the benefits available, extent of coverage, eligibility criteria, exclusions, restrictions, medical underwriting requirements, conversion options, continuation of benefits,

predeterminations and other important requirements of the program.

- Providing proof of the purchase of pension service that may reduce LTD premiums. Premiums will only be adjusted when the plan administrator has been notified and received verification despite the date the purchase may have occurred.
- For notifying your plan administrator if the deletion of an overage dependant requires a change in your premiums from family to single coverage.

**B. Classification Review Process**

1. The process of a classification review shall be available to an organization if the organization considers that a position has been improperly classified by the Classification & Organizational Design Division of the Human Resource Secretariat.

The process of review and/or appeal pursuant to these procedures shall be available to any employee who considers that their position has been improperly classified by the Classification & Organizational Design Division of the Human Resource Secretariat.

2. A review shall not be entertained on the grounds:
  - of inadequacy of the pay scale assigned to the pay range number; or
  - that the scope of duties and responsibilities has been improperly assigned to the position by management.
3. Organizations or employees who wish to have a position reviewed are able to do so by submitting a Position Description Questionnaire (PDQ) to the Classification & Organizational Design Division, Human Resource Secretariat, Confederation Building, St. John's, A1B 4J6. Employees may use the Microsoft Word version of the [PDQ](#) or complete and submit the [PDQ online](#).

Information on access to the necessary documents can be found in the Human Resource Secretariat's website <http://www.exec.gov.nl.ca/exec/hrs/newjobevaluation.html>

4. A request for review shall be regarded as closed:
  - when a decision is rendered thereon by the Classification & Organizational Design Division;
  - if the employee(s) requests in writing the withdrawal of the request for review;
  - in the event an employee is dismissed with cause. If the employee separates from the organization for a reason other than dismissal for cause, the employee may request the difference in pay as a result of an outstanding classification review but would not be entitled to a further review or appeal; or
  - if the permanent head, in the case of an organization request for review, requests in writing the withdrawal of the request for review.
5. All documents relating to a classification review shall be maintained by the Classification & Organizational Design Division. Copies of such classification review materials shall be provided to the Classification Appeal Adjudicator upon its request.

**C. Classification Appeal Process**

1. If an employee is dissatisfied with the decision of the Classification & Organizational Design Division, an appeal of the decision may be submitted to the Classification Appeal Adjudicator of the Public Service Commission. The request for an appeal must identify which factor(s) is/are being challenged and the associated rationale for each factor(s).

The appeal process is restricted to those factors identified as being challenged and sufficient reasoning provided.

2. All such appeals shall be submitted to the Classification Appeal Adjudicator in writing within a period of not more than fourteen (14) days after the receipt by an employee of notification of the Classification & Organizational Design Division's decision as above mentioned.
3. A classification appeal of specific factor(s) shall not be accepted by the Classification Appeal Adjudicator based on job content which differs from that reviewed by the Classification & Organizational Division. In such a case, the employee or group of employees shall first approach the Classification and Organizational Division seeking a further review on the basis of the new circumstances involved.
4. The Classification Appeal Adjudicator shall be an independent position created within the Public Service Commission.
5. The Classification Appeal Adjudicator is hereby empowered to receive, hear and decide upon any appeal consistent with these procedures.
6. Changes in these procedures shall be recommended for approval only after co-ordination with the Public Service Commission, and the Human Resource Secretariat.
7. The Classification Appeal Adjudicator may render decisions based on the information provided or may hold hearings if deemed necessary. The appellant may be required to appear at any time and in any place in the province deemed desirable.
8. The Classification Appeal Adjudicator shall only consider and rule upon the factors challenged by an individual employee, or group of employees having identical classifications, provided that such employee or group shall first have submitted their request in accordance with Section 3 of Part B and shall have been notified in writing of the Classification & Organizational Design Division's decision on the request.
9. The Classification Appeal Adjudicator has the right to refuse to receive or hear an appeal if it considers that the grounds on which the appeal was submitted are irrelevant or not in accordance with Sections 1 and 2 of Part B.
10. The employing organization concerned shall allow time off from regular duties to any employee who is required by the Classification Appeal Adjudicator to appear before him/her and, in respect of such absence; the employee shall be regarded as being O.H.M.S. It is the responsibility of the employee to obtain the prior approval of the permanent head before absenting themselves from their duties for this purpose.

11. On receipt of an appeal from an employee or a group of employees, the Classification Appeal Adjudicator may request the Classification & Organizational Design Division to assemble all pertinent information prepared as a result of the classification review, a copy of which will be provided to the appellant and the immediate supervisor by the Classification Appeal Adjudicator.
12. Where the appellant requires clarification on any point contained in the classification file or wishes to comment on any aspect of the classification file, he/she must file with the Classification Appeal Adjudicator within fourteen (14) days of receiving the file, a written statement including any supporting documentation which details his/her questions or comments.
13. A copy of the appellant's written statement and supporting documentation will be sent by the Classification Appeal Adjudicator, within three (3) days of receipt, to the Classification & Organizational Design Division who may respond or be requested to respond in writing within fourteen (14) days to the questions or observations raised by the appellant. Such response shall be forwarded by the Classification Appeal Adjudicator to the appellant within three (3) days of receipt. This cumulative documentation shall then constitute the entire appeal file to be considered by the Classification Appeal Adjudicator.
14. Where the Classification Appeal Adjudicator is satisfied that all relevant documentation is on file, it shall determine whether a hearing is warranted or if a decision can be rendered on the basis of the written documentation provided.
15. Where in the opinion of the Classification Appeal Adjudicator a group of appellants' position description questionnaires are sufficiently similar, have identical ratings and the appellants are employed in the same classification by the same organization, the Adjudicator may propose the consolidation of individual appeals to those appellants such that the appeals of individuals may be decided upon in a group appeal.
16. Where the Classification Appeal Adjudicator proposes a group review, the individual appellants must indicate their agreement with the group review in writing.
17. Where not all appellants agree to consolidation, the Classification Appeal Adjudicator will first decide on a consolidated basis the appeals of those appellants who are in agreement with consolidation. Those appellants not in agreement shall be provided an opportunity for individual review, as soon as practical following the determination of a consolidated appeal.
18. When the Classification Appeal Adjudicator renders a decision on those factors challenged on the basis of the written documentation, notification of such decision on those factors challenged shall be forwarded to the Classification & Organizational Design Division. The Classification & Organizational Design Division will notify and provide the necessary authority to the employing agency as well as provide a copy of the Classification Appeal Adjudicator's decision and the impact, if any, on the position to the

appellant and his/her designate.

19. If a hearing is warranted, the appellant, a permanent head or management designate and a representative of Classification & Organizational Design Division may be requested to appear before the Classification Appeal Adjudicator.
20. Appellants are to be given two opportunities to postpone appeal hearings after which appeals will then be withdrawn by the Classification Appeal Adjudicator.
21. The hearing will be presided over by the Classification Appeal Adjudicator who will retain control over the conduct of the hearing and who will rule on the relevancy of any questions raised by any of the parties.
22. The Classification Appeal Adjudicator may adjourn the hearing and order the appearance of any person or party who, at the Classification Appeal Adjudicator's discretion, it deems necessary to appear to give information or to clarify any issue raised during the hearing.
23. Following the conclusion of the hearing, the Classification Appeal Adjudicator will deliberate on and consider all relevant evidence and supporting information. Within fifteen (15) working days of reaching a decision, the Classification Appeal Adjudicator shall inform the Classification & Organizational Design Division in writing over the signature of the Classification Appeal Adjudicator of his/her decision on those factors challenged and a detailed explanation of the rationale of any change from the Classification & Organizational Design Division's original determination. The Classification & Organizational Design Division will notify and provide the necessary authority to the employing agency as well as provide a copy of the Classification Appeal Adjudicator's decision and the impact, if any, on the position to the appellant and his/her designate.
24. The Classification Appeal Adjudicator is required to submit written reasons to the Classification & Organizational Design Division for those decisions that result in changes in the factors challenged.
25. The impacts of changes in ratings arising from decisions of the Classification Appeal Adjudicator shall be processed by the Classification & Organizational Design Division in accordance with the Human Resource Secretariat's compensation policies.
26. The decision of the Classification Appeal Adjudicator on an appeal is final and binding on the parties to the appeal.
27. An appeal shall be regarded as closed:
  - when a decision is rendered thereon by the Classification Appeal Adjudicator;
  - if the appellant requests in writing the withdrawal of the appeal;
  - in the event an employee is dismissed with cause; or

- if the appellant postpones a hearing in accordance with Section 20 of Part C.

**Re: Nurses Committee**

**\*MEMORANDUM OF UNDERSTANDING**  
**Re: Labrador Benefits Agreement - Interpretation**

In an effort to clarify the interpretation of certain items contained in the Labrador Benefits Agreement the parties agree to the following:

- 1) Article 4.2(b) refers to employees who terminate employment, (i.e. are not on layoff status and do not have recall rights). These employees have their Travel Allowance paid out based on the hours worked in the current year and it shall be paid out at the rate in effect on the date employment is terminated.
- 2) For the purposes of Article 4.4 it is agreed that an employee may refuse to claim the employee benefit if it is to their benefit to have their spouse claim them as a dependant. Employees who exercise this option will not be entitled to any portion of the Employee Travel Allowance. It is incumbent on the employee to communicate this choice to their respective Employer(s).
- 3) Notwithstanding Schedule A, the following employee shall be entitled, on a without prejudice basis, to the rates applicable to Mud Lake as long as they remain within the employ of their current Employer and continue to permanently reside in Mud Lake:

Vyann Kerby, Health Labrador Corporation

This agreement is effective from April 1, 2013 and shall expire upon the renewal of the Labrador Benefits Agreement expiring March 31, 2016.

- 4) For the purposes of clarification and in accordance with Article 3.1 (Labrador Allowance), Article 4.1 (Travel Allowance) and Article 9.1 (Definitions), benefits are applicable for the fiscal year (April 1 to March 31) in which a dependent reaches 18 years of age or 24 years of age, if the dependent is in full time attendance at a school or post-secondary institution. Full time attendance shall be determined by the educational institution in which a dependent is registered.

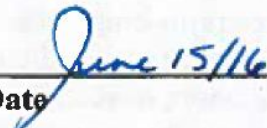

For example:

If a dependent reaches 18 years of age on January 1, 2011 and is no longer enrolled as a full time student in a post-secondary institution, they would be eligible for the travel benefit payable April 15, 2011.

## **SCHEDULE "H"**

### **DEFERRED SALARY LEAVE PLAN HEALTH CARE**

1. Definitions
2. Introduction
3. Administration
4. Eligibility
5. Enrolment
6. Salary Benefits During Deferral and Leave Periods
7. Withdrawal from the Plan
8. Returning from Leave

### **DEFERRED SALARY LEAVE PLAN**

It is the Employer's policy that, where possible, all employees have access to a deferred salary leave plan, designed to help plan and finance a leave of absence for periods of 6 - 12 months. The deferral period may not exceed six years.

#### **1. Definitions**

##### **Review**

Committee: a committee, comprised of members representing the employer and employee groups, which will review issues related to the Plan

##### **Deferral**

period: that period of time during which participating employees defer a portion of their salary

Leave Period: that period of time, immediately following the deferral period, during which participating employees are on a leave of absence from work

Taxation year: based on a calendar year January 1 to December 31 (inclusive)

#### **2. Introduction**

The Deferred Salary Leave Plan permits employees to finance a leave of absence by deferring a maximum of 33 1/3% of their salary (before deductions) in a taxation year. The period over which employees may defer their salaries may not exceed six years.

The deferred portions of employees' salaries are deposited into an account with the Government of Newfoundland and Labrador. This account accrues interest which must be paid at the end of each calendar year. Because this interest is considered to be income from employment, it is subject to income tax for the year in which it was earned. The interest rate, on the deferred portion of employees' salaries will be the rate of interest earned by Government on its bank accounts.

The minimum leave period is six (6) months, except where the employee is attending a designated educational institution on a full time basis; in this case the minimum period of leave is three

months. The maximum period of leave is twelve (12) consecutive months, starting immediately after the salary deferral period.

Revenue Canada regulates all deferred salary leave programs and has the ability to cancel any employer plan if the regulations are violated. For taxation purposes Revenue Canada requires that at the end of the leave period, employees return to the employer under whom they participated in the deferred salary leave program for, at least the same amount of time as the leave period. As such, the Deferred Salary Leave Plan cannot serve as an early retirement program.

### 3. Administration

The Deferred Salary Leave Plan will be administered by the Government Accounting Division of Treasury Board and the Personnel Department of the Employer. The Administrator will be responsible for approving deferred salary leave for employees who wish to use the plan. Approval forms will be sent to the Payroll Department where employees will be set up on the deferred salary payroll. The system will calculate the deferred portion of employees regular pay cheques. This deferred portion will then be transferred into an interest bearing account.

Employees who wish to opt out of the plan must inform their Administrator in writing. The Administrator will then forward this information to the Review Committee who will review the case and decide if it can be approved. The committee will consist of representation from:

- Government Accounting Division, Treasury Board
- Personnel Policy Division, Treasury Board
- Collective Bargaining Division, Treasury Board
- Debt. Management Division, Finance
- The Employer
- NLHBA
- Union Involved

The Committee will meet on a regular basis to approve requests to withdraw from the plan and/or address any other issues that are not directly dealt with in this policy.

### 4. Eligibility

Permanent employees with a minimum of twelve (12) months continuous service may apply for enrolment in the Deferred Salary Leave Plan.

### 5. Enrolment

Employees must make written application to their Administrator, providing as much advance notice as possible (preferably at least three (3) months).

Employees will be informed of their approval to participate in the Plan within three months of their request. Approval of requests is dependent on the operational requirements of the department during the employee's anticipated absence.

Table I demonstrates the various Plan options: the amount of salary an employee would have to defer; the period of time over which the salary is deferred; the year in which the leave of absence is to be taken; and the employee's average wage over the entire period of Plan participation.

**TABLE I**

PLAN OPTION	PERCENTAGE OF SALARY DEFERRED	DEFERRAL PERIOD	LEAVE PERIOD	% OF NORMAL SALARY DURING PLAN
1 over 1.5	33 1/3%	1 year	2nd year (6 months.)	66 2/3%
2 over 3	33 1/3%	2 years	3rd year	66 2/3%
3 over 4	25%	3 years	4th year	75%
4 over 5	20%	4 years	5th year	80%
5 over 6	16 2/3%	5 years	6th year	83 1/3%
6 over 7	14%	6 years	7th year	86%

Over the period of Plan participation, employees' salaries plus the percentage of salaries deferred must equal 100% of employees' pre-plan salaries. For example, employees who choose the 3 over 4 option must defer 25% of their salaries over a 3 year period resulting in a net salary, over 4 years, of 75% of their pre-plan salaries.

6. Salary And Benefits During Deferral and Leave Periods

During the deferral period, employees continue to receive their normal salary less the amount they have chosen to contribute to the Plan.

During the leave period, employees' gross annual salaries will consist of the sum of the contributions made to the Deferred Salary Leave Plan during the deferral period, plus interest. Salary will be received through the normal payroll procedures.

Income tax information slips (T4) for the completion of participating employees' tax return will reflect that portion of salary actually received in the taxation year.

The interest earned on the deferred portion of employees salaries will be considered to be employment income. This interest amount is taxable as employment income and will be included on T4 slips. Income tax information slips will be issued yearly as the interest is paid.

Employment status will be that of leave without pay. The provisions and cost-sharing arrangements for employee benefits will be consistent with the appropriate sections of the Employer policies and Collective Agreements. Appendix I outlines the effect the Deferred Salary Leave Plan will have on all benefit/deduction programs during both the deferral and leave periods.

## **SCHEDULE “K”**

### **Alternate Scheduling Flextime**

1. **Flextime Agreement**

The parties agree to the establishment of this flextime agreement for classifications covered by the AAHP collective agreement – Schedule A.

2. **Mutual Agreement**

- (a) The implementation of a flextime arrangement will be by mutual agreement between the employee and his/her manager.
- (b) Both parties are required to sign a copy of this agreement and submit a copy to Human Resources Department upon agreeing to enter/terminate such an agreement.
- (c) This arrangement is provided to employees according to the position he/she currently occupies. Should his/her position change then the flextime agreement option must be renegotiated. It is understood this type of change may result in the arrangement being terminated.

3. **Definition of Flextime and Overtime**

- (a) Flextime is when an employee makes a decision to work beyond regular working hours and/or adjusts his/her own schedule within a thirty-seven point five (37.5) hour week or seventy-five (75) hours bi-weekly, without a requirement to seek prior approval. Such time worked or adjustment of the schedule will be at straight time.
- (b) Overtime, as per the collective agreement, is when a manager directs or approves an employee to work beyond regular working hours and such time worked is not controlled by the employee. This will include cases of emergency as stated in the collective agreement.
- (c) For the purpose of this agreement, an emergency will be defined as a situation whereby the employee determines the client to be in crisis and if not seen immediately by a health care professional, could result in a deterioration of the client's condition and/or could place the client and possibly others at risk.

4. **Recording of Schedule**

Employees shall be required to keep records of their schedule (parties to determine frequency of when time is recorded) and excess hours worked. Such schedules will be accessible, in a central location, to a manager or designated individual and will not be entered on the computerized payroll system.

5. **Maximum Accumulated Hours**

- (a) Under the Flextime Agreement, the maximum hours of accumulation shall be established between the manager and the employee and in no case shall exceed seventy-five (75) hours.

- (b) Employees cannot work through their meals and rest periods and use this time as part of their flex-time work schedule.
- (c) Any existing accumulated hours at the time of signing this agreement will be retained by the employee. Employees with excess accumulated hours (exceeding the maximum cap) at the date of signing are not able to accrue more time, however, they can continue to work flextime with the understanding that any extra time worked must be taken off in the pay period in which the time is worked.
- (d) Once employees reach the maximum cap of accumulated hours they shall not accumulate any additional time. Any extra time worked must be taken off in the pay period in which it is worked.

6. Time Off

An employee may schedule to take up to one-half (1/2) day off from accumulated time, without prior approval from their manager. Prior notification of the intention to take time off must be provided to the manager and a co-worker. When an employee requests to take more than one-half (1/2) day off from accumulated time, prior approval must be given by the appropriate manager. Approval to use more than one-half (1/2) day at any one time will not be unreasonably denied. At no time shall flextime taken adversely affect previously scheduled services.

7. Termination of Agreement

Either party may provide thirty (30) days notice to end the agreement.

Dear Ms. Toope:

***\*Re: Optional Deferred Payment of Severance***

This letter of understanding shall be read as one with the AAHP collective agreements (exp. 2020) and shall confirm the further agreement of the parties as follows:

**Part A:**

All employees may request a deferral of their severance payment as follows:

1. Employees who qualify for severance pay may elect to defer the payment of severance pay beyond May 31, 2020 in accordance with this letter of understanding. Deferments cannot extend beyond the end of the period of employment as stipulated in the provisions in the applicable collective agreement, and the redemption value shall be frozen as of March 31, 2018, for both accumulated service and weekly salary.
2. Employees who elect to defer payment must do so using a form that will be made available by the Employer in accordance with the following requirements: the form must be completed and received by the Payroll and Benefits Division of the respective Employer not later than April 30, 2019. Once a deferral request has been received by the Payroll and Benefits Division of the respective Employer, payment of severance shall occur at the end of the period of employment as stipulated in the provisions in the applicable collective agreement.
3. Employees who have deferred payment of severance who wish to receive payment prior to the circumstances noted in clause 2 above, must request to do so in writing. Such notice must be received by the Payroll and Benefits Division of the respective Employer not later than December 31 of any given year. Payment of severance shall then occur not later than June 30 of the following calendar year.

4. All severance must be redeemed in full at time of payment. An employee may not elect to receive partial or portioned payment(s) of their total severance pay, i.e., payment of severance shall be made only once. For example, severance payment cannot occur over multiple years, be paid so as to allow employees to transfer a portion of their severance to a RRSP in one year while deferring payment of the remainder to a subsequent year, etc...

Part B:

The employer shall make every reasonable effort to meet the request of the employee. However, those employees who have been notified in writing by the Employer that they will not be able to receive payment of severance in their quarter of choice in fiscal year 2019/20, may within thirty (30) days of the date of such notice, elect in writing to receive their severance payment in an alternate quarter in the 2019/20 fiscal year.

Employees who make an election under Part B must do so using a form to be provided by the Employer. Employees who fail to make an election under Part B within the prescribed timeframe shall receive payment of severance not later than May 31, 2020.

Sincerely,

Sarah Anthony

## **MEMORANDUM OF UNDERSTANDING**

### **CLASSIFICATION PLAN**

It is agreed that a new classification system would be implemented and that the plan used would be gender neutral. It is also agreed that AAHP would have input into the selection and implementation of the system. This will be accomplished through a joint steering committee which would be advisory to Government in nature. It is also agreed that the current classification plan would continue until the new plan is established.

It is agreed that the new plan began implementation on April 1, 2008. However, any wage adjustments necessary for implementation of this plan will not accrue on April 1, 2008. The total cost and the timing of any wage adjustments are to be included in negotiations to commence on Government's finalization of the new classification system.

The Unions require that a Job Evaluation Consultant (as selected by the Unions) would have direct contact with the Plan's consultant and have full access to all relevant information. This individual would also communicate with and have access to all meetings of the Steering Committee. The salary and the expenses of the Advisor would be borne by the Unions.

The ratings of the positions will be conducted by the staff of the Classification, Organization and Management Division of Treasury Board. There will be a Benchmark Committee composed of two-thirds management and one-third union representatives who will review the sampling of the ratings as they are done. The Benchmark Committee would have the authority to refer results back to the raters should they be deemed inconsistent. The final decision making authority rests with Treasury Board.

While the new Job Evaluation system is being implemented, all employees can proceed with individual reviews and appeals under the current plan. However, there will be no further occupational reviews.

**MEMORANDUM OF UNDERSTANDING**

Work that is currently performed by bargaining unit members in the existing structure shall also be performed by bargaining unit members in the new structure; with the exception of building infrastructure maintenance.
