

AAHP Members' Corporate Discount Program

AAHP's mission is to advance the economic and social well-being of its members. While our main objective is to negotiate for fair and equitable working conditions and advocate for the protection of workers' rights, we are also committed to Making Life Better at the workplace and beyond, which is why we began creating a corporate discount program for our Membership in June 2023.

We will continue to build upon and grow this program for our membership into the foreseeable future, with this document being updated on a regular basis. Updates will also be posted in our private Facebook group, AAHP News and Views.

How do you get your discount? Simply show your AAHP Member ID Card at participating businesses, or reference your ID number where applicable.
